ANNOUNCING

The Champions Center is happy to announce that **Kuhlwein Services** will be joining the facility. **Jim Kuhlwein and Family** will be managing the shavings operation at the Center effective March 1, 2010. Kuhlwein is well known in the shavings business and will enhance our customer service with their years of experience. Creating the optimal show environment for our clients is always a top priority at the Champions Center and Kuhlwein Services understands our dedication to the Center's mission.

Kuhlwein Services will be supplying, delivering and collecting shavings orders. For your convenience, exhibitors may still use the Champions Center online forms to preorder shavings. **As before, all orders must be secured before delivery.** Trainers may still order for their clients and settle-up separately at the shavings office. Please provide Kuhlwein your credit card information at your first show. Trainers lists may then be faxed to 937-324-4233 or use the online form. Hay and grain will also be available.

Shavings cost will be \$7.00 per bag. We have secured a great product that expands to 7.0 cubic feet with a medium 100% pine flake that is very clean. We hope you will be pleased.

Camping remains \$25 per night. All camping fees are paid to the Center. Preorders for camping will be run through the Champions Center while the shavings portion will go through Kuhlwein Services.

We are very excited to begin this new partnership and to bring you the value added services from Jim Kuhlwein.

Shirley Mann, General Manager
Champions Center
